

PRIVACY POLICY

Beyond Buttons

A Brand of Arihant Syndicate

****Effective Date:**** [DD/MM/YYYY]

****Last Updated:**** [DD/MM/YYYY]

1. INTRODUCTION

Welcome to ****Beyond Buttons****, a premium menswear brand owned and operated by ****Arihant Syndicate**** (****Beyond Buttons****, ****Arihant Syndicate****, ****Company****, ****we****, ****our****, or ****us****).

At Beyond Buttons, protecting the privacy, confidentiality, and security of your personal data is one of our core responsibilities. We understand that every interaction you have with our website, customer support team, social media pages, marketing campaigns, products, and services involves a level of trust. This Privacy Policy explains how we collect, receive, record, organize, store, use, process, share, transfer, disclose, retain, protect, and otherwise handle your personal data whenever you interact with Beyond Buttons.

This Privacy Policy applies to all personal data collected through our website, mobile-optimized platform, future mobile applications, customer support channels, WhatsApp communications, social media platforms, promotional campaigns, events, surveys, email communications, order management systems, logistics operations, payment gateways,

and every other digital or physical touchpoint operated by or on behalf of Arihant Syndicate under the Beyond Buttons brand.

The purpose of this Privacy Policy is to help you understand:

- * What personal data we collect.
- * Why we collect your personal data.
- * How we use your personal data.
- * Who we share your personal data with.
- * How long we retain your information.
- * The measures we take to safeguard your information.
- * Your rights regarding your personal data.
- * How you may contact us regarding privacy-related matters.

This Privacy Policy forms an integral part of our Terms & Conditions, Return & Refund Policy, Shipping Policy, Cookie Policy, and any additional notices, disclosures, or consent requests displayed when you interact with our services.

Where applicable, Beyond Buttons processes personal data in accordance with the ****Digital Personal Data Protection Act, 2023 (India)**** and other applicable laws governing privacy, electronic commerce, consumer protection, taxation, fraud prevention, contractual obligations, and information security.

2. SCOPE

This Privacy Policy applies to every individual who accesses or interacts with Beyond Buttons, including but not limited to:

- * Visitors browsing our website.
- * Customers placing orders.
- * Individuals creating customer accounts.

- * Users subscribing to newsletters.
- * Customers contacting support.
- * Participants in promotional campaigns.
- * Users interacting through WhatsApp.
- * Individuals participating in surveys.
- * Customers making purchases through marketplaces where Beyond Buttons manages customer support.
- * Visitors interacting through Instagram, Facebook, YouTube, LinkedIn or any future social media platform operated by Beyond Buttons.
- * Business partners communicating with us.
- * Prospective customers.
- * Individuals attending offline events, exhibitions, or promotional campaigns organized by Beyond Buttons.

This Privacy Policy applies irrespective of whether you access our services using:

- * Desktop computers
- * Mobile phones
- * Tablets
- * Smart TVs
- * Mobile applications
- * Future wearable devices
- * Third-party shopping integrations
- * QR codes
- * WhatsApp Business
- * Social commerce platforms
- * Any future technology adopted by Beyond Buttons

This Privacy Policy governs all personal data processed by Arihant Syndicate in connection with the Beyond Buttons brand, irrespective of the method by which such data is collected.

3. CATEGORIES OF PERSONAL DATA WE COLLECT

3.1 Identity Information

When you create an account, place an order, subscribe to updates, participate in promotions, or otherwise interact with Beyond Buttons, we may collect personal information including:

- * Full name
- * First and last name
- * Username
- * Customer identification number
- * Date of birth (where voluntarily provided)
- * Gender (optional)
- * Profile photograph (if uploaded)
- * Account preferences
- * Language preferences

3.2 Contact Information

We may collect:

- * Mobile number
- * Alternate mobile number
- * Email address
- * Residential address
- * Shipping address
- * Billing address
- * Landmark
- * City
- * District
- * State

- * Country
- * Postal code
- * Preferred communication method

This information enables us to communicate regarding your purchases, deliveries, account, promotional campaigns, customer support, and legal compliance.

3.3 Account Information

If you register an account, we may collect:

- * Login credentials
- * Password (stored in encrypted form where applicable)
- * OTP verification status
- * Login history
- * Saved addresses
- * Saved preferences
- * Wishlist
- * Shopping cart information
- * Notification preferences
- * Communication preferences

3.4 Order Information

Whenever you purchase products from Beyond Buttons, we may process information including:

- * Products ordered
- * Product colours
- * Sizes

- * Quantity purchased
- * Purchase history
- * Invoice details
- * Order value
- * Discounts applied
- * Coupon usage
- * Promotional benefits
- * Gift cards
- * Store credits
- * Loyalty rewards (if introduced)
- * Referral benefits (if introduced)
- * Exchange requests
- * Return history
- * Refund history
- * Cancellation records

3.5 Payment Information

To facilitate secure transactions, we may process information such as:

- * Payment method
- * Payment status
- * UPI transaction reference
- * Credit or debit card transaction references
- * Bank transaction references
- * Wallet transaction references
- * Refund reference numbers
- * Payment gateway confirmations

Beyond Buttons does ****not**** intentionally store complete debit card numbers, CVV numbers, internet banking credentials,

or UPI PINs. Payments are processed through secure and legally compliant payment gateway providers.

3.6 Device & Technical Information

Whenever you access our website or future applications, we may automatically collect technical information including:

- * IP address
- * Browser type
- * Browser version
- * Operating system
- * Device model
- * Screen resolution
- * Device identifiers
- * Session identifiers
- * Time zone
- * Language settings
- * Referring website
- * Pages visited
- * Session duration
- * Clickstream data
- * Error logs
- * Diagnostic information
- * Cookies
- * Local storage identifiers
- * Analytics identifiers
- * Security logs

3.7 Browsing Behaviour & Preference Information

We may collect information relating to your interaction with Beyond Buttons, including:

- * Product searches
- * Product views
- * Colour preferences
- * Shirt size preferences
- * Wishlist activity
- * Cart additions
- * Cart removals
- * Time spent on products
- * Frequently viewed collections
- * Recently viewed products
- * Purchase frequency
- * Shopping behaviour
- * Campaign engagement
- * Email open rates
- * Marketing preferences

Such information enables us to improve product recommendations, personalize shopping experiences, and enhance our services.

3.8 Location Information

Beyond Buttons may collect certain location-related information when you access or use our website, communicate with us, or place an order.

Depending upon your interaction with our services, such information may include:

- * Approximate location derived from your IP address.
- * Shipping location.

- * Billing location.
- * State and city information.
- * Postal code.
- * Delivery serviceability information.
- * Regional taxation information.
- * Language preferences inferred from location.
- * Country of access.
- * Time zone information.
- * Device region settings.

We use such information for purposes including:

- * Determining delivery availability.
- * Calculating shipping timelines.
- * Calculating applicable taxes.
- * Preventing fraudulent transactions.
- * Showing region-specific offers.
- * Displaying localized pricing where applicable.
- * Improving customer experience.

Beyond Buttons does not intentionally collect precise GPS coordinates unless you voluntarily provide such information for delivery or customer support purposes.

3.9 Communication & Customer Support Information

Whenever you contact Beyond Buttons through customer support channels, we may collect and maintain records of such interactions.

These may include:

- * Customer support tickets.

- * Email correspondence.
- * WhatsApp conversations.
- * Phone call records where legally permissible.
- * Complaint details.
- * Product feedback.
- * Suggestions.
- * Reviews.
- * Survey responses.
- * Social media messages.
- * Instagram direct messages.
- * Facebook Messenger conversations.
- * Contact forms.
- * Escalation history.
- * Resolution notes.
- * Attachments voluntarily submitted by customers.

This information enables us to:

- * Resolve customer concerns.
- * Improve service quality.
- * Monitor response efficiency.
- * Train customer service representatives.
- * Investigate complaints.
- * Prevent abuse of support channels.
- * Maintain operational records.

3.10 Logistics & Delivery Information

To successfully fulfil customer orders, Beyond Buttons may process logistics-related information including:

- * Recipient name.
- * Delivery address.

- * Landmark.
- * Postal code.
- * Mobile number.
- * Alternate contact number.
- * Email address (where required).
- * Shipment tracking number.
- * Courier reference number.
- * Delivery attempts.
- * Proof of delivery.
- * Delivery confirmation.
- * Reverse pickup records.
- * Return shipment records.
- * Exchange shipment records.
- * Delivery exceptions.
- * Non-delivery records.
- * Dispatch details.
- * Warehouse allocation.
- * Order packaging status.

Such information is processed solely for order fulfilment and post-purchase services.

3.11 Information Shared During Logistics Operations

For successful order processing, packaging, dispatch, shipping, delivery, exchanges, returns, and refunds, Beyond Buttons may share limited customer information with authorised logistics partners, shipping providers, warehouse operators, fulfilment centres, courier companies, and integrated logistics management systems.

The information shared shall be limited to what is operationally necessary and may include:

- * Customer name.
- * Delivery address.
- * Mobile number.
- * Alternate contact number.
- * Email address where operationally required.
- * Postal code.
- * Shipment identification numbers.
- * Delivery instructions.

Where technically feasible, Beyond Buttons may use masked contact numbers or similar privacy-enhancing mechanisms to reduce unnecessary exposure of customer information.

Although Beyond Buttons exercises reasonable care in selecting logistics partners and enters into appropriate commercial arrangements with such service providers, Beyond Buttons shall not be responsible for independent acts, omissions, negligence, unauthorized disclosures, misuse of information, or security failures occurring solely within systems operated by third-party logistics providers except to the extent required under applicable law.

4. HOW WE COLLECT PERSONAL DATA

Beyond Buttons collects personal data through multiple lawful methods during your interaction with our services.

4.1 Information Collected Directly From You

We collect personal information directly from you whenever you:

- * Visit our website.
- * Register an account.
- * Sign in.
- * Verify your mobile number.
- * Verify your email address.
- * Subscribe to newsletters.
- * Save products.
- * Add products to your wishlist.
- * Add items to your shopping cart.
- * Complete checkout.
- * Place an order.
- * Make payment.
- * Apply promotional codes.
- * Request cancellation.
- * Request exchange.
- * Request return.
- * Request refund.
- * Contact customer support.
- * Participate in surveys.
- * Submit reviews.
- * Participate in contests.
- * Join promotional campaigns.
- * Communicate with us through WhatsApp.
- * Contact us through social media.

The information collected depends upon the nature of your interaction.

4.2 Information Collected Automatically

When you use our website or future applications, certain information may automatically be collected using technologies including:

- * Cookies.
- * Pixels.
- * Server logs.
- * Browser storage.
- * Device identifiers.
- * Analytics software.
- * Performance monitoring tools.
- * Error reporting systems.
- * Session management technologies.
- * Fraud prevention systems.

Automatically collected information may include:

- * Device information.
- * Browser information.
- * Session activity.
- * Navigation behaviour.
- * Page interactions.
- * Click activity.
- * Referral source.
- * Exit pages.
- * Time spent on pages.
- * Technical diagnostics.
- * Security events.

Such information helps us maintain platform security, improve website performance, detect technical issues, understand customer behaviour, and enhance the overall shopping experience.

4.3 Information Collected During Orders & Transactions

Beyond Buttons collects personal data throughout your purchasing journey, including when you:

- * Browse products.
- * Select product variants.
- * Add items to your cart.
- * Proceed to checkout.
- * Apply coupons.
- * Choose payment methods.
- * Confirm shipping details.
- * Complete payment.
- * Receive order confirmations.
- * Track shipments.
- * Initiate exchanges.
- * Initiate returns.
- * Request refunds.
- * Contact support regarding an order.

This information enables us to successfully complete and manage your purchase.

4.4 Information Received From Third-Party Service Providers

Beyond Buttons may receive certain information from trusted third-party service providers engaged in connection with our operations.

Such providers may include:

- * Payment gateway providers.

- * Banks.
- * UPI service providers.
- * Fraud detection providers.
- * Shipping companies.
- * Warehouse partners.
- * Technology vendors.
- * Cloud hosting providers.
- * Customer support platforms.
- * CRM software providers.
- * Analytics providers.
- * Marketing partners.
- * Communication platforms.
- * SMS providers.
- * Email service providers.

Any information received from such providers is processed only to the extent necessary for operational, contractual, security, or legal purposes.

4.5 Information Received Through Authentication Providers

If Beyond Buttons introduces social login or third-party authentication services in the future, we may receive limited profile or authentication-related information from such providers, subject to your permissions and the provider's applicable privacy practices.

Such information may include:

- * Name.
- * Email address.
- * Verified account identifier.
- * Profile image.

- * Authentication token.
- * Verification status.

Beyond Buttons will only access information that you have authorized such provider to share.

4.6 Information Shared Through Logistics Systems

To enable successful dispatch, shipping, tracking, delivery, exchanges, returns, and reverse logistics, customer information may be securely transmitted between Beyond Buttons and authorized logistics platforms through shipping labels, fulfilment software, courier integrations, warehouse systems, and operational dashboards.

Information shared through these systems shall remain restricted to what is reasonably necessary for successful order fulfilment and customer communication.

Beyond Buttons continuously reviews operational practices to minimize unnecessary disclosure of personal information while ensuring efficient order processing.

5. PURPOSES OF PROCESSING PERSONAL DATA

Beyond Buttons processes personal data only for lawful, legitimate, and business-related purposes connected with operating, improving, protecting, and delivering our products and services. Depending upon the nature of your interaction with us, your personal data may be processed for one or more of the following purposes.

5.1 Account Registration and Customer Management

Beyond Buttons may process your personal data to create, manage, maintain, verify, and administer your customer account.

This includes processing your information for purposes such as:

- * Creating your customer profile.
- * Authenticating your identity.
- * Verifying your mobile number or email address.
- * Maintaining your saved addresses.
- * Preserving your shopping preferences.
- * Managing login credentials.
- * Enabling password recovery.
- * Providing secure access to account features.
- * Maintaining account history.
- * Preventing duplicate or fraudulent accounts.
- * Allowing you to manage orders and profile information.

Where you choose to continue as a guest user, certain personal information may still be processed to facilitate your purchase and customer support.

5.2 Website Access, Browsing and Customer Experience

Beyond Buttons may process your personal data to ensure that our website functions efficiently and provides a seamless shopping experience.

This may include processing information to:

- * Display products.
- * Improve website navigation.
- * Enable search functionality.
- * Display product recommendations.
- * Remember shopping carts.
- * Preserve wishlist information.
- * Display recently viewed products.
- * Personalize browsing experiences.
- * Optimize website speed.
- * Improve page performance.
- * Detect technical issues.
- * Improve accessibility.
- * Understand customer behaviour.
- * Enhance future website features.

Such processing enables us to continually improve our digital shopping experience.

5.3 Product Orders and Checkout

Personal data may be processed throughout the order lifecycle for purposes including:

- * Managing shopping carts.
- * Processing orders.
- * Confirming inventory availability.
- * Generating invoices.
- * Calculating taxes.
- * Applying promotional discounts.
- * Verifying coupon eligibility.
- * Confirming order details.
- * Processing payments.
- * Sending order confirmations.

- * Coordinating internal order processing.
- * Preventing duplicate transactions.
- * Managing order modifications.

Without certain personal information, we may be unable to process your purchase.

5.4 Packaging, Fulfilment, Shipping and Delivery

To successfully deliver your purchases, Beyond Buttons may process personal data to:

- * Allocate inventory.
- * Coordinate warehouse operations.
- * Pack customer orders.
- * Generate shipping labels.
- * Schedule courier pickups.
- * Dispatch shipments.
- * Track deliveries.
- * Verify delivery attempts.
- * Confirm successful delivery.
- * Coordinate re-delivery where applicable.
- * Investigate delayed shipments.
- * Handle lost shipment claims.
- * Manage reverse logistics.
- * Process exchanges.
- * Process returns.
- * Coordinate refund-related logistics.

Such processing is essential for the fulfilment of customer orders.

5.5 Returns, Exchanges and Refund Administration

Beyond Buttons may process personal data to evaluate and administer post-purchase requests, including:

- * Product returns.
- * Size exchanges.
- * Colour exchanges.
- * Refund requests.
- * Cancellation requests.
- * Reverse pickups.
- * Quality inspections.
- * Refund approvals.
- * Payment reversals.
- * Store credits where applicable.
- * Customer communication regarding post-purchase services.
- * Maintaining records relating to such transactions.

We may also process information to detect repeated abuse of return or refund policies.

5.6 Customer Support, Communication and Grievance Resolution

Personal data may be processed whenever you contact Beyond Buttons for assistance.

This includes processing information to:

- * Respond to enquiries.
- * Resolve complaints.
- * Investigate issues.

- * Provide order updates.
- * Handle delivery concerns.
- * Address payment issues.
- * Respond to product-related questions.
- * Maintain customer communication records.
- * Improve customer service quality.
- * Escalate unresolved grievances.
- * Conduct internal quality reviews.
- * Train customer support personnel.

Support interactions may be retained for service improvement and legal compliance.

5.7 Fraud Prevention, Security and Risk Management

Beyond Buttons processes personal data to maintain the security and integrity of our website, customers, employees, and business operations.

Processing may include:

- * Detecting fraudulent orders.
- * Identifying suspicious payment activity.
- * Preventing account misuse.
- * Preventing unauthorized access.
- * Monitoring unusual purchasing behaviour.
- * Detecting policy abuse.
- * Preventing coupon misuse.
- * Preventing return fraud.
- * Investigating cybersecurity incidents.
- * Preventing identity misuse.
- * Protecting customer accounts.
- * Protecting business assets.

- * Enforcing our Terms & Conditions.

Where necessary, suspicious transactions may be manually reviewed before order confirmation.

5.8 Marketing, Promotions and Customer Engagement

Subject to your preferences and applicable law, Beyond Buttons may process personal data to:

- * Send promotional emails.
- * Send SMS notifications.
- * Send WhatsApp updates.
- * Inform you about product launches.
- * Notify you about exclusive collections.
- * Share limited-time offers.
- * Provide festival promotions.
- * Conduct surveys.
- * Invite participation in campaigns.
- * Request product reviews.
- * Share content relating to Beyond Buttons.
- * Conduct customer engagement activities.
- * Inform you about upcoming features and services.

You may opt out of promotional communications at any time using the available unsubscribe mechanisms or by contacting us.

5.9 Analytics, Research and Business Improvement

Beyond Buttons continuously evaluates customer interactions to improve products and services.

Personal data may be processed for:

- * Customer analytics.
- * Website analytics.
- * Demand forecasting.
- * Inventory planning.
- * Performance reporting.
- * Product development.
- * User experience research.
- * Operational improvement.
- * Conversion analysis.
- * Marketing effectiveness.
- * Customer satisfaction analysis.
- * Business intelligence.
- * Internal reporting.
- * Quality assurance.
- * Strategic planning.

Where possible, aggregated or anonymized information may be used for analytical purposes.

5.10 Product Development and Service Enhancement

Beyond Buttons may process customer information to improve existing products and develop future offerings.

This may include understanding:

- * Customer colour preferences.
- * Fabric preferences.
- * Size demand.
- * Purchase trends.

- * Product quality feedback.
- * Shopping behaviour.
- * Regional demand.
- * Customer suggestions.
- * Website feature requests.
- * New service opportunities.

Such insights help us deliver better products and customer experiences.

5.11 Legal Compliance and Protection of Rights

Personal data may be processed where reasonably necessary to:

- * Comply with applicable laws.
- * Comply with taxation requirements.
- * Respond to lawful governmental requests.
- * Comply with judicial orders.
- * Maintain statutory records.
- * Exercise legal rights.
- * Defend legal claims.
- * Investigate disputes.
- * Enforce contractual obligations.
- * Protect Beyond Buttons, Arihant Syndicate, customers, employees, and business partners.

Processing undertaken for legal compliance shall be limited to what is reasonably necessary under applicable law.

5.12 End-to-End Customer Journey Management

From the moment you first visit our website until the completion of your purchase and any subsequent post-purchase interaction, Beyond Buttons may process your personal data as reasonably necessary to provide a secure, efficient, and seamless customer experience.

This may include account management, browsing, checkout, payment processing, fulfilment, logistics coordination, customer communication, returns, exchanges, refunds, feedback management, analytics, fraud prevention, and continuous improvement of our products and services.

At every stage of this customer journey, Beyond Buttons endeavors to process only such personal data as is reasonably required for the relevant purpose while implementing appropriate administrative, technical, and organizational safeguards.

6. LEGAL BASIS AND CONSENT

Where required under applicable law, Beyond Buttons processes personal data on the basis of your free, specific, informed, unconditional, and unambiguous consent obtained through our website, checkout process, account registration, newsletter subscription, marketing preferences, customer support interactions, or other lawful collection mechanisms.

Depending upon the circumstances, we may also process personal data where such processing is:

- * Necessary to fulfil a contract with you.
- * Necessary to process and deliver your orders.

- * Required to comply with applicable laws and regulatory obligations.
- * Required for fraud prevention and platform security.
- * Necessary to respond to your requests.
- * Necessary to protect the legitimate rights and interests of Arihant Syndicate, Beyond Buttons, our customers, or third parties, where permitted under applicable law.

You may withdraw consent for specific processing activities where such consent forms the legal basis of processing. Withdrawal of consent shall not affect the lawfulness of processing carried out prior to such withdrawal and may affect our ability to provide certain products or services.

7. CHILDREN'S PRIVACY

Beyond Buttons is intended for individuals who are legally competent to enter into binding contracts under applicable law.

By accessing or using our website, you represent that you are at least eighteen (18) years of age or that you are accessing our services under the supervision and consent of your parent or lawful guardian.

Beyond Buttons does not knowingly collect personal data from children in violation of applicable law. If we become aware that personal data relating to a child has been collected without the necessary authorization or legal basis, we may take reasonable steps to delete or anonymize such information.

Where required by law, we may seek verifiable parental or guardian consent before processing personal data relating to minors.

Beyond Buttons does not intentionally engage in profiling, behavioural advertising, or any restricted processing of children's personal data where prohibited under applicable law.

8. COOKIES, ANALYTICS AND SIMILAR TECHNOLOGIES

Beyond Buttons uses cookies, pixels, local storage technologies, software development kits (SDKs), tracking technologies, server logs, analytics platforms, and similar technologies to enhance the functionality, security, performance, and user experience of our website and future applications.

These technologies enable us to recognize returning visitors, maintain website functionality, understand customer behaviour, improve website performance, personalize customer experiences, and protect our platform against misuse and fraudulent activity.

Depending upon your interaction with Beyond Buttons, cookies and similar technologies may be used for purposes including:

- * User authentication.
- * Account login management.
- * Session management.
- * Shopping cart retention.
- * Wishlist preservation.
- * Website preferences.
- * Language settings.
- * Security verification.
- * Fraud detection.
- * Performance monitoring.
- * Website analytics.
- * Traffic analysis.
- * Marketing effectiveness.

- * Advertisement measurement.
- * Product recommendation improvement.
- * Error reporting.
- * Bug detection.
- * Feature testing.
- * Website optimization.
- * Customer experience enhancement.

Cookies may be categorized as:

Essential Cookies

These cookies are necessary for the proper functioning of the website and cannot ordinarily be disabled without affecting core website functionality.

Examples include:

- * Secure login.
- * Shopping cart.
- * Checkout functionality.
- * Payment session management.
- * Security verification.
- * Fraud prevention.
- * Website navigation.

Performance and Analytics Cookies

These cookies help us understand how visitors interact with our website.

Such information assists Beyond Buttons in:

- * Measuring website traffic.
- * Identifying popular products.
- * Understanding customer journeys.
- * Improving navigation.
- * Detecting technical issues.
- * Enhancing website speed.
- * Improving website design.

Analytics information is generally processed in aggregated form wherever reasonably possible.

Functional Cookies

These cookies help remember customer preferences, including:

- * Preferred language.
- * Saved shopping cart.
- * Recently viewed products.
- * Wishlist items.
- * Region preferences.
- * Login status.
- * Website personalization settings.

Marketing Cookies

Where permitted by applicable law and your preferences, marketing technologies may be used to:

- * Measure advertising campaigns.
- * Display relevant promotions.
- * Understand campaign performance.

- * Reduce repetitive advertisements.
- * Improve communication relevance.

You may manage certain cookie preferences through your browser settings. Please note that disabling certain cookies may affect the functionality, performance, or availability of specific website features.

9. SHARING OF PERSONAL DATA

Beyond Buttons respects the confidentiality of your personal data and does not sell your personal information for monetary consideration.

However, in order to operate our business efficiently, fulfil customer orders, comply with legal obligations, and provide our services, we may share limited personal information with carefully selected third parties where reasonably necessary.

Such sharing shall always be limited to the information required for the relevant purpose.

9.1 Internal Business Operations

Personal information may be shared internally within Arihant Syndicate on a need-to-know basis for purposes including:

- * Order management.
- * Customer support.
- * Finance.
- * Accounting.

- * Inventory planning.
- * Logistics.
- * Information technology.
- * Marketing.
- * Fraud prevention.
- * Business administration.
- * Legal compliance.

Access to customer information is restricted to authorized personnel whose responsibilities require such access.

9.2 Logistics and Courier Partners

To successfully process and deliver customer orders, Beyond Buttons may share relevant information with logistics partners, courier companies, fulfilment centres, shipping aggregators, warehouse operators, and reverse logistics providers.

Information shared may include:

- * Customer name.
- * Delivery address.
- * Postal code.
- * Mobile number.
- * Alternate contact number.
- * Email address where operationally required.
- * Shipment reference numbers.
- * Delivery instructions.

Such sharing enables:

- * Shipment creation.
- * Pickup scheduling.

- * Order tracking.
- * Delivery coordination.
- * Exchange processing.
- * Return pickup.
- * Refund logistics.

Where technically feasible, Beyond Buttons may implement contact masking or equivalent privacy measures to reduce unnecessary exposure of customer information.

9.3 Payment Gateway Providers

Payments made on the Beyond Buttons website may be processed through trusted payment service providers.

For successful payment processing, limited transaction-related information may be shared with:

- * Banks.
- * UPI providers.
- * Credit card processors.
- * Debit card processors.
- * Wallet providers.
- * Payment gateway operators.
- * Financial institutions.

Beyond Buttons does not intentionally store complete payment card information or confidential payment credentials processed directly by payment providers.

9.4 Technology Service Providers

Beyond Buttons may engage trusted technology partners for purposes including:

- * Website hosting.
- * Cloud infrastructure.
- * Database management.
- * Security monitoring.
- * Website analytics.
- * Customer relationship management.
- * Email delivery.
- * SMS delivery.
- * WhatsApp communication.
- * Customer support software.
- * Performance monitoring.
- * Backup systems.
- * Fraud prevention.

Such service providers receive access only to the extent necessary for providing contracted services.

9.5 Marketing and Communication Partners

Subject to your communication preferences and applicable law, Beyond Buttons may engage third-party service providers to facilitate:

- * Email campaigns.
- * SMS notifications.
- * WhatsApp communications.
- * Promotional campaigns.
- * Customer surveys.
- * Marketing analytics.

- * Campaign measurement.
- * Product announcements.

Such partners are expected to process customer information only for authorized purposes.

9.6 Professional Advisors

Where reasonably necessary, Beyond Buttons may disclose information to professional advisors including:

- * Chartered Accountants.
- * Auditors.
- * Tax consultants.
- * Legal advisors.
- * Insurance advisors.
- * Compliance consultants.
- * Business consultants.

Such disclosures shall be limited to legitimate business, legal, taxation, regulatory, or contractual requirements.

9.7 Government Authorities and Law Enforcement

Beyond Buttons may disclose personal information where required:

- * Under applicable law.
- * Pursuant to judicial orders.
- * Regulatory directions.
- * Government investigations.

- * Tax proceedings.
- * Law enforcement requests.
- * Consumer dispute proceedings.
- * Protection of legal rights.
- * Prevention of fraud.
- * Protection of public interest.

Such disclosures shall be made only to the extent required under applicable law.

9.8 Business Transfers

If Arihant Syndicate undergoes:

- * Merger.
- * Acquisition.
- * Corporate restructuring.
- * Business transfer.
- * Sale of assets.
- * Insolvency proceedings.

customer information may form part of the transferred business assets, subject to applicable legal obligations and appropriate confidentiality protections.

9.9 Overseas Service Providers

Certain technology infrastructure, cloud hosting providers, analytics providers, or software vendors engaged by Beyond Buttons may process information outside India.

Where such processing occurs, Beyond Buttons shall endeavor to ensure that appropriate contractual, technical, and organizational safeguards are maintained in accordance with applicable legal requirements.

9.10 General Principles Governing Data Sharing

Whenever Beyond Buttons shares personal data, we endeavor to ensure that:

- * Only the minimum necessary information is shared.
- * Appropriate contractual safeguards are maintained.
- * Service providers process information only for authorized purposes.
- * Reasonable security measures are implemented.
- * Access remains restricted to authorized personnel.
- * Personal data is not disclosed unnecessarily.
- * Processing remains consistent with this Privacy Policy and applicable law.

10. INTERNATIONAL TRANSFERS OF PERSONAL DATA

Beyond Buttons primarily stores and processes customer information within India.

However, certain technology service providers, cloud infrastructure providers, analytics platforms, customer communication systems, software vendors, and operational service providers engaged by Arihant Syndicate may process or temporarily store information on servers located outside India.

Where international processing occurs, Beyond Buttons shall endeavor to ensure that:

- * Appropriate contractual safeguards are implemented.
- * Reasonable security standards are maintained.
- * Transfers occur only where operationally necessary.
- * Applicable legal requirements governing cross-border data processing are respected.
- * Appropriate technical and organizational safeguards are maintained by relevant service providers.

Beyond Buttons continually reviews its operational practices and may modify international data processing arrangements in response to changes in applicable law, technological developments, or business requirements.

11. DATA RETENTION

Beyond Buttons retains personal data only for as long as reasonably necessary to fulfil the purposes described in this Privacy Policy or as otherwise required by applicable law.

The duration for which information is retained depends upon factors including:

- * Completion of customer orders.
- * Warranty obligations (where applicable).
- * Customer support requirements.
- * Return and exchange periods.
- * Taxation requirements.
- * Accounting obligations.
- * Fraud prevention.
- * Legal proceedings.

- * Regulatory compliance.
- * Contractual obligations.
- * Security investigations.
- * Business continuity.

When personal information is no longer reasonably required, Beyond Buttons may:

- * Securely delete the information.
- * Permanently anonymize the information.
- * Archive information where legally required.
- * Restrict further processing.

Certain transactional records may continue to be retained for statutory compliance even after account deletion or cessation of business relationships.

12. DATA SECURITY

Beyond Buttons recognizes that the security of your personal data is fundamental to maintaining your trust. Arihant Syndicate is committed to implementing and maintaining reasonable administrative, technical, physical, and organizational safeguards designed to protect personal data against unauthorized access, collection, use, disclosure, alteration, destruction, accidental loss, misuse, theft, corruption, or any other unlawful or unauthorized processing.

The nature and extent of the security measures implemented by Beyond Buttons are determined having regard to the sensitivity of the personal data being processed, the nature of the processing activities, technological developments, industry practices, and the risks associated with unauthorized access or disclosure.

Our security practices are designed to maintain the confidentiality, integrity, availability, and resilience of our systems and the personal data processed through them.

Without limiting the generality of the foregoing, Beyond Buttons may implement security measures including but not limited to:

- * Role-based access controls.
- * Restricted employee access.
- * Password-protected systems.
- * Multi-factor authentication where operationally appropriate.
- * Secure cloud infrastructure.
- * Firewall protection.
- * Malware protection.
- * Anti-virus systems.
- * Intrusion detection mechanisms.
- * Security monitoring tools.
- * Secure network architecture.
- * Access logging.
- * Activity monitoring.
- * Audit trails.
- * Data backup systems.
- * Disaster recovery mechanisms.
- * Business continuity procedures.
- * Database security controls.
- * Secure software development practices.
- * Vulnerability assessments.
- * Security patch management.
- * Regular software updates.
- * Vendor security evaluations.
- * Secure communication protocols.
- * Encrypted transmission of data where reasonably appropriate.
- * Physical security controls for business premises.

- * Employee confidentiality obligations.
- * Internal privacy and security training.

Beyond Buttons also endeavours to ensure that employees, contractors, consultants, technology vendors, logistics partners, customer support providers, and other service providers who may have access to personal data are subject to appropriate contractual confidentiality obligations and access restrictions consistent with their operational responsibilities.

Personal information is made accessible only to authorized individuals who require such access for legitimate business purposes, customer support, operational management, legal compliance, fraud prevention, information technology administration, or other lawful activities directly connected with the operation of Beyond Buttons.

Where third-party service providers process personal data on behalf of Beyond Buttons, Arihant Syndicate undertakes reasonable efforts to engage service providers that maintain appropriate information security standards, contractual confidentiality obligations, and commercially reasonable safeguards suitable for the nature of the services being provided.

While Beyond Buttons continuously reviews, improves, and updates its security practices in response to evolving technology, cybersecurity risks, business requirements, and applicable legal obligations, no method of electronic transmission, cloud storage, internet communication, software application, database, or digital security system can be guaranteed to be completely secure or immune from unauthorized access.

Accordingly, although Beyond Buttons uses commercially reasonable efforts to safeguard personal data, Arihant Syndicate does not warrant or guarantee that unauthorized access, cyberattacks, security breaches, malware incidents, hacking attempts, denial-of-service attacks, data interception, hardware failures, software failures, telecommunications failures, or other unforeseen security events will never occur.

Users also play an important role in protecting their personal information. Accordingly, users are encouraged to:

- * Maintain the confidentiality of their passwords.
- * Protect one-time passwords (OTPs).
- * Avoid sharing account credentials with any third party.
- * Log out from shared or public devices after using their account.
- * Immediately notify Beyond Buttons of any suspected unauthorized access, fraudulent activity, or compromise of their account.
- * Ensure that their devices maintain appropriate security protections including updated operating systems and antivirus software where applicable.

Beyond Buttons shall not be responsible for unauthorized access resulting from the user's own negligence, failure to maintain confidentiality of account credentials, sharing of passwords or OTPs, compromise of personal devices, phishing attacks, malware affecting the user's device, or circumstances beyond the reasonable control of Arihant Syndicate.

Security measures adopted by Beyond Buttons are reviewed periodically and may be updated from time to time to reflect evolving cybersecurity standards, technological advancements, operational requirements, and applicable legal or regulatory obligations.

13. PERSONAL DATA BREACH RESPONSE

Despite the implementation of reasonable administrative, technical, and organizational safeguards, no security system can completely eliminate the possibility of a personal data breach or cybersecurity incident.

Accordingly, Beyond Buttons maintains internal procedures designed to identify, assess, investigate, contain, mitigate, document, and respond to actual or suspected incidents involving personal data.

For the purposes of this Privacy Policy, a "Personal Data Breach" may include any accidental or unlawful destruction, loss, alteration, unauthorized disclosure of, unauthorized access to, or unauthorized processing of personal data maintained by or on behalf of Beyond Buttons.

Upon becoming aware of a suspected or confirmed personal data incident, Beyond Buttons may undertake one or more of the following actions, as considered appropriate under the circumstances:

- * Identify the nature and scope of the incident.
- * Assess the categories of information affected.
- * Determine the number of individuals potentially impacted.
- * Contain the incident to prevent further unauthorized access.
- * Preserve relevant evidence for investigation.
- * Conduct technical and operational assessments.
- * Engage internal response teams.
- * Engage external cybersecurity specialists where appropriate.
- * Investigate the root cause of the incident.

- * Implement corrective measures.
- * Restore affected systems where necessary.
- * Review existing security controls.
- * Strengthen security safeguards to reduce the likelihood of recurrence.
- * Maintain internal records relating to the incident.
- * Cooperate with law enforcement or regulatory authorities where required.
- * Notify affected individuals where legally required.
- * Notify applicable governmental or regulatory authorities where required under applicable law.

The specific response adopted by Beyond Buttons shall depend upon factors including:

- * The nature of the incident.
- * The sensitivity of the information involved.
- * The likelihood of harm.
- * Operational considerations.
- * Legal obligations.
- * Regulatory requirements.
- * Recommendations received from technical experts.

Nothing contained in this Privacy Policy shall be construed as creating an obligation to notify individuals in circumstances where applicable law does not require such notification or where notification may lawfully be delayed for purposes including security, law enforcement investigations, fraud prevention, or regulatory directions.

Beyond Buttons continually reviews its incident response procedures and may update its operational processes to align with evolving cybersecurity practices, technological developments, and applicable legal requirements.

14. YOUR PRIVACY RIGHTS

Beyond Buttons respects the rights of individuals in relation to their personal data and is committed to processing such information in a fair, transparent, and responsible manner.

Subject to applicable laws, regulatory requirements, verification procedures, and reasonable operational limitations, you may exercise certain rights concerning the personal data processed by Beyond Buttons.

The availability and scope of these rights may vary depending upon the applicable law, the nature of the personal data involved, the purpose for which such information is processed, and the legal obligations applicable to Arihant Syndicate.

14.1 Right to Access Personal Data

Subject to applicable law, you may request confirmation regarding whether Beyond Buttons processes your personal data.

Where applicable, you may also request access to information including:

- * Categories of personal data processed.
- * Purposes of processing.
- * Sources from which personal data was collected.
- * Categories of recipients with whom information has been shared.
- * General information regarding retention practices.
- * Information regarding your available privacy rights under applicable law.

Beyond Buttons may require reasonable identity verification before responding to such requests.

14.2 Right to Correction and Updating

Beyond Buttons endeavors to maintain accurate and up-to-date customer information.

If you believe that any personal information maintained by Beyond Buttons is inaccurate, incomplete, outdated, or misleading, you may request correction, completion, or updating of such information.

Customers are also encouraged to regularly review and update their account information, shipping addresses, contact numbers, and email addresses to ensure the continued accuracy of our records.

14.3 Right to Withdraw Consent

Where personal data is processed on the basis of your consent, you may withdraw such consent at any time by contacting Beyond Buttons or by using the mechanisms made available through our website or customer support channels.

Withdrawal of consent shall not affect the lawfulness of processing carried out prior to such withdrawal.

Please note that withdrawal of consent may affect our ability to provide certain services, complete pending transactions,

maintain customer accounts, process future orders, or provide personalized experiences where such processing is dependent upon your consent.

14.4 Right to Request Deletion

Subject to applicable law, you may request deletion, anonymization, or removal of your personal data maintained by Beyond Buttons.

Upon receiving such request, Arihant Syndicate may evaluate the request having regard to:

- * Applicable legal obligations.
- * Taxation requirements.
- * Accounting requirements.
- * Fraud prevention.
- * Pending disputes.
- * Active customer orders.
- * Product returns.
- * Warranty obligations.
- * Regulatory requirements.
- * Security investigations.
- * Contractual obligations.

Where deletion cannot be completed immediately due to legal or operational requirements, Beyond Buttons may retain only such information as is reasonably necessary for those purposes.

14.5 Right to Raise a Grievance

If you have concerns regarding the manner in which your personal data has been processed, you may submit a complaint or grievance to Beyond Buttons using the contact information provided in this Privacy Policy.

We endeavor to acknowledge and review privacy-related complaints within a reasonable period and take appropriate steps to investigate and resolve legitimate concerns.

14.6 Right to Nominate Another Person

Where permitted under applicable law, you may nominate another individual to exercise certain rights on your behalf in circumstances recognized by law.

Beyond Buttons may require appropriate documentation, verification, or proof of authorization before acting upon such requests.

14.7 Verification of Requests

To safeguard customer privacy and prevent unauthorized disclosure of personal information, Beyond Buttons reserves the right to verify the identity of any individual submitting a privacy-related request.

Verification procedures may include:

- * OTP verification.
- * Email verification.
- * Order verification.

- * Identity confirmation.
- * Account authentication.
- * Additional documentation where reasonably necessary.

Beyond Buttons may decline or defer requests where identity cannot be reasonably verified or where disclosure could adversely affect the rights, privacy, safety, or lawful interests of another person.

14.8 Limitations on Privacy Rights

The rights described in this Privacy Policy are subject to applicable legal requirements and may not apply in every circumstance.

Beyond Buttons may refuse, restrict, defer, or partially comply with a request where permitted under applicable law, including where compliance may:

- * Conflict with legal obligations.
- * Affect ongoing investigations.
- * Compromise platform security.
- * Facilitate fraudulent activity.
- * Adversely affect the rights of another individual.
- * Prevent compliance with taxation or accounting requirements.
- * Interfere with judicial or regulatory proceedings.
- * Prevent enforcement of contractual rights.
- * Be technically impossible or disproportionately burdensome under applicable law.

Where reasonably appropriate, Beyond Buttons shall communicate the basis for such decision.

15. MARKETING COMMUNICATIONS

Beyond Buttons may communicate with customers through various channels to provide information relating to products, services, promotions, transactions, customer support, and other business-related activities.

Depending upon your preferences and applicable law, communications may be sent through:

- * Email.
- * SMS.
- * WhatsApp.
- * Telephone calls.
- * Push notifications.
- * Website notifications.
- * Social media messaging platforms.
- * Other communication channels introduced in the future.

Marketing communications may include:

- * Product launches.
- * New collections.
- * Exclusive offers.
- * Seasonal promotions.
- * Limited edition releases.
- * Promotional campaigns.
- * Discount notifications.
- * Event invitations.
- * Surveys.
- * Customer feedback requests.
- * Style recommendations.
- * Brand announcements.

- * Educational content relating to Beyond Buttons.

You may opt out of promotional communications at any time by:

- * Using the unsubscribe option provided in the communication.
- * Updating your communication preferences.
- * Contacting Beyond Buttons customer support.
- * Following any opt-out instructions communicated to you.

Please note that even if you opt out of promotional communications, Beyond Buttons may continue to send communications that are necessary for providing our services, including:

- * Order confirmations.
- * Payment confirmations.
- * Shipping notifications.
- * Delivery updates.
- * Exchange and return updates.
- * Refund notifications.
- * Security alerts.
- * Password reset requests.
- * OTP verifications.
- * Account-related notices.
- * Legal notices.
- * Policy updates where required.

These service-related communications form an essential part of our relationship with customers and cannot ordinarily be disabled while an active customer relationship exists.

Beyond Buttons shall endeavor to honor communication preferences within a reasonable period following receipt of

your request.

16. THIRD-PARTY WEBSITES, SERVICES AND PLATFORMS

The Beyond Buttons website and services may, from time to time, contain links to third-party websites, applications, payment gateways, logistics tracking portals, social media platforms, advertising partners, or other digital services that are not owned, operated, or controlled by Arihant Syndicate.

Such links are provided solely for customer convenience, operational efficiency, payment processing, shipment tracking, customer engagement, or informational purposes.

Your interaction with any third-party website, platform, or service shall be governed by the respective terms, conditions, privacy policies, and security practices of such third parties.

Beyond Buttons neither controls nor assumes responsibility for:

- * The privacy practices of third-party platforms.
- * The availability of third-party services.
- * The content published on third-party websites.
- * The security measures implemented by third parties.
- * Cookies or tracking technologies used by third parties.
- * Collection or processing of personal data performed independently by third parties.
- * Accuracy of information displayed by third-party services.
- * Products or services offered by third parties.
- * Policies adopted by third-party organizations.

Without limitation, this may include interactions involving:

- * Payment gateway providers.
- * Courier and logistics tracking portals.
- * Cloud hosting providers.

- * Analytics platforms.
- * Customer communication platforms.
- * Social media platforms.
- * Search engines.
- * Video hosting platforms.
- * Marketplace platforms.
- * Customer review platforms.
- * Advertising networks.
- * Technology vendors.

Where you voluntarily access or interact with any third-party platform through links made available by Beyond Buttons, you acknowledge that any personal information submitted to such third party shall be governed by that third party's own privacy practices.

Customers are encouraged to carefully review the applicable privacy policies of every third-party service before submitting personal information.

Nothing contained in this Privacy Policy shall be interpreted as creating responsibility or liability on the part of Beyond Buttons for the independent privacy practices, security standards, policies, acts, omissions, or conduct of third-party organizations that are not under the ownership or control of Arihant Syndicate.

17. ACCOUNT MANAGEMENT AND DELETION

Beyond Buttons provides customers with the ability to manage certain account information through their customer account or by contacting our customer support team.

Subject to applicable law, customers may request the deletion, closure, or deactivation of their Beyond Buttons account.

Upon receipt of such request, Arihant Syndicate may undertake reasonable verification procedures to confirm the identity of the requesting individual before processing the request.

Where an account deletion request is approved, Beyond Buttons may:

- * Close the customer account.
- * Remove account access.
- * Delete or anonymize certain personal information.
- * Remove saved addresses.
- * Delete saved preferences.
- * Remove wishlist information.
- * Delete marketing preferences where applicable.
- * Restrict further account activity.

However, certain categories of information may continue to be retained where reasonably necessary for purposes including:

- * Compliance with applicable laws.
- * Taxation requirements.
- * Accounting obligations.
- * Audit requirements.
- * Fraud prevention.
- * Dispute resolution.
- * Enforcement of contractual rights.
- * Investigation of suspicious activities.
- * Product return records.
- * Refund records.
- * Regulatory compliance.
- * Internal record keeping.
- * Protection of the legal rights of Arihant Syndicate.

Deletion of an account shall not automatically result in deletion of all information where retention is required under applicable law or for legitimate business purposes.

Customers should also note that account deletion may result in:

- * Loss of access to previous order history.
- * Removal of saved preferences.
- * Deletion of saved addresses.
- * Removal of wishlist items.
- * Loss of loyalty benefits, credits, or rewards, if introduced in the future.
- * Inability to recover deleted account information.

Where technically feasible and legally permissible, Beyond Buttons shall endeavor to process verified deletion requests within a reasonable period.

18. CHANGES TO THIS PRIVACY POLICY

Beyond Buttons reserves the right to modify, revise, amend, supplement, replace, or update this Privacy Policy at any time to reflect changes in our business operations, legal obligations, technological developments, security practices, products, services, customer expectations, or regulatory requirements.

Changes may become necessary due to reasons including:

- * Introduction of new products or services.
- * Launch of mobile applications.
- * Expansion into new markets.
- * Changes in applicable laws.

- * Regulatory requirements.
- * Cybersecurity developments.
- * Operational improvements.
- * New payment methods.
- * New logistics partners.
- * New communication channels.
- * Website enhancements.
- * Business restructuring.

Where material changes are made, Beyond Buttons may notify customers through one or more of the following methods, where considered appropriate:

- * Website notices.
- * Email communications.
- * SMS notifications.
- * WhatsApp notifications.
- * Customer account notifications.
- * Other appropriate communication channels.

The "Last Updated" date appearing at the beginning of this Privacy Policy shall indicate the most recent revision.

Your continued access to or use of the Beyond Buttons website or services following the publication of an updated Privacy Policy shall constitute your acknowledgment of the revised Privacy Policy to the extent permitted under applicable law.

Customers are encouraged to periodically review this Privacy Policy to remain informed regarding our privacy practices.

19. CONTACT US AND GRIEVANCE REDRESSAL

Beyond Buttons values customer trust and is committed to addressing questions, concerns, complaints, or requests relating to privacy and the processing of personal data in a fair, timely, and transparent manner.

If you have any questions regarding this Privacy Policy or wish to exercise your privacy rights, you may contact us using the details below.

Beyond Buttons endeavors to acknowledge and review genuine privacy-related requests and grievances within a reasonable period, subject to identity verification, applicable law, and the complexity of the request.

Where additional information is required to process a request, customers may be contacted for verification or clarification before further action is taken.

20. GOVERNING LAW AND JURISDICTION

This Privacy Policy shall be governed by and construed in accordance with the laws of the Republic of India.

Any dispute, claim, controversy, or proceeding arising out of or relating to this Privacy Policy, the processing of personal data by Beyond Buttons, or the use of our website or services shall be subject to the exclusive jurisdiction of the courts having jurisdiction over the principal place of business of ****Arihant Syndicate****, unless otherwise required by applicable law.

If any provision of this Privacy Policy is determined by a court or competent authority to be invalid, illegal, or unenforceable, such determination shall not affect the validity or enforceability of the remaining provisions, which shall continue in full force and effect.

By accessing or using the Beyond Buttons website or otherwise providing your personal data to Beyond Buttons, you acknowledge that you have read, understood, and agreed to this Privacy Policy, subject to applicable law.
